

# Community Coordinators

The Council membership comprises members of all active Retrouvaille communities.

All Retrouvaille Community Coordinators and priests (or their proxies) have a responsibility to attend the business meetings, and to cast their community's vote.

You will receive a "pre-icm pack" at least 90 days prior to the ICM, containing any proposals, and other information. You should familiarize yourself with these, discuss them with your community board, and ask them whether you should vote for or against any proposal. (Remember that you carry your community's vote, not your own.)

The ICM is open to any couple who has attended a Retrouvaille program anywhere in the world.

You are welcome to attend the business meeting, but should certainly attend the plenary sessions and workshops.

Those who are involved in their local Retrouvaille community, or who are contemplating becoming involved, will learn more about this wonderful ministry, and the people involved. Regardless of whether you are a presenting couple, CORE members, if you have been through the Retrouvaille program, then you will gain much from the workshops, and will thoroughly enjoy the experience of meeting like-minded couples from all around the world.

Regardless of whether your marriage is healed, or healing, this event may be the one that launches it into a new dimension.

Come back home!

In many ways, this is **YOUR** ICM.

It doesn't matter to us when you attended your weekend, or whether you are a presenting couple or not, or that you have not been to CORE in a long time, if ever. If you attended a Retrouvaille weekend in Arizona, then you ARE a member of the Retrouvaille Arizona community. We want you to come back home.

Yes, we do need helpers, as there is a lot of work to do before our guests arrive, and your help will be very welcome. But, above all, we really hope and pray that you will register for and attend this event. By just being here, you will make a difference. You will meet so many couples from around the world who once experienced the same difficulties you did, and who overcame them, using the tools of this amazing program.
